CONLEY AMERICAN UNIVERSITY IS NOT ACCREDITED BY AN ACCREDITING AGENCY RECOGNIZED BY THE UNITED STATES SECRETARY OF EDUCATION.

Note: In the United States, many licensing authorities require accredited degrees as the basis for eligibility for licensing. In some cases, accredited colleges may not accept for transfer courses and degrees completed at unaccredited colleges, and some employers may require an accredited degree as a basis for eligibility for employment.

Master in Behavioral Sciences

www.conleyuniversity.us

Program Details

Human behavior is complex, powerful, and central to solving many of today's social, organizational, and psychological challenges. Conley University's Master in Behavioral Sciences is designed for individuals eager to understand what motivates human actions—and how to apply that knowledge in meaningful, real-world contexts.

Innovative & Relevant Curriculum

This interdisciplinary program blends psychology, sociology, neuroscience, and research methodology. As a student, you will:

- Examine the cognitive, emotional, and social processes that influence behavior.
- Gain insight into behavioral change, decision-making, and group dynamics.
- Learn to design and analyze research that leads to impactful interventions.
