## Master in Finance and Economics

[www.conleyuniversity.us](http://www.conleyuniversity.us)

CONLEY AMERICAN UNIVERSITY IS NOT ACCREDITED BY AN ACCREDITING AGENCY RECOGNIZED BY THE UNITED STATES SECRETARY OF EDUCATION.

Note: In the United States, many licensing authorities require accredited degrees as the basis for eligibility for licensing. In some cases, accredited colleges may not accept for transfer courses and degrees completed at unaccredited colleges, and some employers may require an accredited degree as a basis for eligibility for employment.

## Program Details

In today's interconnected global economy, advanced financial and economic knowledge is essential for making strategic decisions and shaping policy. Conley University's Master in Finance and Economics is designed to equip future leaders, analysts, and decision-makers with the critical skills needed to navigate complex financial systems and economic environments.

## Flexible, Structured, and Supportive

Over the course of the program, you'll dive into a rich academic experience combining theoretical frameworks with practical applications. Highlights include:

- Courses in corporate finance, macroeconomics, investment analysis, international economics, and financial modeling.
- Real-world case studies, simulations, and data-driven projects.
- Exposure to current financial tools and platforms used in the industry.
