CONLEY AMERICAN UNIVERSITY IS NOT ACCREDITED BY AN ACCREDITING AGENCY RECOGNIZED BY THE UNITED STATES SECRETARY OF EDUCATION.

Note: In the United States, many licensing authorities require accredited degrees as the basis for eligibility for licensing. In some cases, accredited colleges may not accept for transfer courses and degrees completed at unaccredited colleges, and some employers may require an accredited degree as a basis for eligibility for employment.

Master in International Trade

www.conleyuniversity.us

Program Details

In today's interconnected world, international trade plays a crucial role in economic growth and business strategy. Conley University's Master in International Trade equips you with the advanced knowledge and skills needed to navigate global markets, manage cross-border transactions, and lead in an ever-evolving global economy.

Comprehensive & Industry-Focused Curriculum

Throughout the program, you will engage with core trade topics and gain practical insight into international business operations. Highlights include:

- Courses in international marketing, trade law, customs procedures, and global finance.
- Case studies based on real-world multinational corporations and global trade challenges.
- Exploration of current trends including e-commerce, digital trade, and sustainability in trade.
