

**CONLEY  
UNIVERSITY**

DEEPEN YOUR  
UNDERSTANDING  
OF THE HUMAN  
MIND.

## About Us

The job landscape is an ever-changing place. Whether your goal is to be a global leader or to simply advance in your own field; each new day brings new information and evolving best practices in every industry. This is why **Conley University** has developed a unique hands-on curriculum that focuses on real-world's business skills. Our flexible online education program is adjusted to meet the increasing demands of fields like information technology, business, management and healthcare. We also excel at preparing our students to find—and maintain—the job of their dreams.

CONLEY AMERICAN UNIVERSITY IS NOT ACCREDITED BY AN ACCREDITING AGENCY RECOGNIZED BY THE UNITED STATES SECRETARY OF EDUCATION.

Note: In the United States, many licensing authorities require accredited degrees as the basis for eligibility for licensing. In some cases, accredited colleges may not accept for transfer courses and degrees completed at unaccredited colleges, and some employers may require an accredited degree as a basis for eligibility for employment.

## Program Details

As mental health awareness continues to grow globally, the demand for well-trained psychology professionals has never been greater. Conley University's Master of Arts in Psychology offers an in-depth exploration of human behavior, emotion, and cognition—preparing you for impactful roles in mental health, research, education, and beyond.

## Research-Driven & Human-Centered Curriculum

This program is designed for those who are passionate about helping others and curious about the intricacies of thought and behavior. As a student, you will:

- Explore advanced psychological theories and therapeutic approaches
- Understand the complexities of mental health disorders and treatment models
- Enhance your skills in psychological assessment, communication, and research
